Volume 4 Issue 15

Words From Marcy, Our President:

Well Spring has sprung and spring fever is in the air. I can tell because my allergies are flaring up and my weeds are out of control.

I would like to thank Irene Erwin for putting together the March Newcomers special event. The group had a presentation of the new Allen Hancock College Industrial Technology buildings and the programs that are offered. This \$17 million facility was funded by bonds from the city of Santa Maria. The classes are offered to anyone that wants to register including auto body, welding, machining and manufacturing technology. Even you can learn to remove all those dents in your car provided you can pass a math and English test. Big thanks to Marna Lombardi for the tour. Lunch at the Olive Garden followed the outing.

April 16th is our next special event, breakfast at Ellen's Pancake House and then a guided tour of the vintage Motorcycle & Motor Museum in Solvang. There are almost 100 vehicles on display. Please make your reservations and send your \$10 entrance fee to Wave Stonerock by April 7th.

May 11th is the Newcomers Fashion show at the Santa Maria Inn. Look for more information in this newsletter.

Enjoy
