October 2014

Volume 10 Issue 14

A Message From Our President Diane:

Something to look forward to: Our annual Christmas Dinner Dance this year will be December 8th at Steamers, a different place for a change. This is always one of our nicest events, and one we look forward to. You will receive information soon.

On a different note - you all will have received the letter asking for your help in setting up the Newcomers Board for next year. All job descriptions were given, even those that have not been filled for a year since we no longer have luncheon meetings. While we do have some volunteers, ready to step up, including some new members, we will need others to fill positions. If we do not receive enough members offering their help, the current Board may make the difficult decision to dissolve the Nipomo Newcomers. I am sure that you all realize this would not be an easy decision for us to make. Fortunately, all the groups (Bridge, pot-luck, T.G.I.F., etc.) would continue as usual, with no disruption. A reminder that if this happens, you would no longer have a Newsletter, or a Web site, or any organized event such as the Christmas party or the Picnic. I have mentioned this several times over the past couple of months, so, please, consider offering your help! Think about the organized events you have attended over the past years, and what you would be missing.

Take care of your words when you are with people."

Many countries in the New World celebrate the anniversary of Christopher Columbus' arrival in the Americas, which happened on October 12, 1492, as a holiday or official celebration. The landing is celebrated as Columbus Day in the United States, as Día de la Raza ("Day of the Race") in many countries in Latin America, as Discovery Day in the Bahamas, as Día de la Hispanidad and Fiesta Nacional in Spain, as Día del Respeto a la Diversidad Cultural (Day of Respect for Cultural Diversity) in Argentina, as Día de las Américas (Day of the Americas) in Belize and Uruguay and as Giornata Nazionale di Cristoforo Colombo or Festa Nazionale di Cristoforo Colombo in Italy and in the Little Italys around the world. These holidays have been celebrated unofficially since the late 18th century, and officially in various areas since the early 20th century.
