Words From Marcy, Our President:

Nipomo Newcomer's November 2015 Newsletter

We can finally tell that the seasons are changing by the cooler evenings; the clock changing is right around the corner.

This month we had a delightful luncheon at the Madonna in San Luis with Doug Jenzen as our guest speaker. Despite some electronic glitches beyond his control, Doug enlightened us on some interesting facts about Nipomo as well as the Guadalupe Dunes. The luncheon was well attended by approximately 42 members. I would like to thank Suzanne Miller for making all of the arrangements.

You will all be happy to know that we have been able to fill all of the board positions, with the kindness of our volunteers and the strong arm hold of Suzanne Miller. Nice job Suzanne, and thank you to those of you that volunteered to sit on the board.

Remember it is the responsibility of the board to keep the show on the road and with your help in planning special events and attending activities, these volunteers will shine.

Are you ready for El Nino~? Have you cleaned out your gutters? Got batteries for that flash light? Just some food for thought, they say to expect a wet winter.

Did you know that you burn more calories sleeping than you do watching television?

I hope to see you all at Steamers on December 7th for the Holiday Party. Marcy
