## FROM THE PRESIDENT...

Here's to a Happy & Healthy New Year for all Nipomo Newcomers and Friends!

Hoping everyone's stayed warm and dry with the continuing rain storms we've been experiencing. It's sure been good for our area to catch up on some much-needed rain.

Our Events Coordinator, Vicky Sady, has been hard at work on the events for 2022.

The **Bingo Bash** is scheduled for **January 22<sup>nd</sup>**. Don't forget to reserve your space!

Our very popular **Brunch at the Radisson** is scheduled for **February 13<sup>th</sup>** at 10:30. The brunch will be over in plenty of time for everyone to get ready for the Super Bowl later in the afternoon.

We plan on introducing new board members and saying a grateful goodbye to four retiring board members. **Diane Jankowski** and **Suzanne Miller** have both served the NNSC board for years and we'd like to thank them again for their service and contributions to the club. **Anne Keeling** has done a great job sending Sunshine to members. **Ryan Hill** has been a proficient Treasurer this past year. He will be leaving to focus on coaching high school water polo going forward.

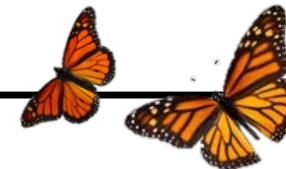

We are **looking for members** who would be willing to take over the **Activities Coordinator** position and the **Sunshine** position for 2022. Working on the board is rewarding and we hope you'll consider helping out in the coming year.

More events are on the drawing board for 2022! Look for information on future events. See you soon! ~ Sally Hill

## Activities & Sunshine Coordinators Needed!

...with the retirement of the much-appreciated Suzanne Miller & Anne Keeling as our NNSC Activities & Sunshine Coordinators, we are in need of members to fill their shoes. These are important and fun positions. Please contact Sally Hill at 805-459-5220 if you are interested.

## COASTAL MONARCHS

The Pismo Beach Monarch Butterfly Grove is one of only five sites in the state that has counts of over 10,000 butterflies annually. Each year thousands of vibrant orange and black Monarch Butterflies flock to Pismo State Beach, a location essential to their successful migration, seeking shelter from the freezing northern winters. From late October to February, the butterflies cluster in the limbs of towering, majestic Eucalyptus trees flanking a riparian estuary that flows to the Pacific Ocean.

★ **Book Group 2** - (Page Turners: 3<sup>rd</sup> Monday @ 1 PM) has also been meeting regularly - mostly outdoors - and a holiday luncheon on December 15 at Hapy Grill. We announced our book choices then for 2022. Some of our reads in 2021 included The Honey Bus, by Merideth May; and The Art Forger, by B.A. Shipiro. We look forward to 2022, when our January discussion will be The Last Thing He Told Me, by Laura Dave. ~ Gayle Turner
