

Nipomo Newcomers and Social Club Newsletter *October, 2024*

From the Prez

Are you feeling autumn in the air? Seems like we're getting ready for the holiday line up. A Bocce Ball tournament is scheduled for October 18th by the Black Lake Community Room. Should be lots of fun. Come test your skill. Another event to look forward to this December at the Clark Center is a musical performance by *Girl Named Tom*, **The Joy of Christmas**. Tickets are selling fast, so get them now! RSVP to Vicky Sady at 916-202-2670 for both these events.

Another fun September get-together was Trivia Night at Humdinger Brewery in the Village of Arroyo Grande. Not only were there lots of laughs, but both NNSC teams ended tied for third place until "Team Taco" managed to win the tiebreaker.

The NNSC Board has an opening for a new Board member. Please consider helping with all the fun activities, planning, and events. You can contact any of the current board members for more information. See you soon!
Sally Hill
