Out and About with the Newcomers

Bocce Tourney a Success! Congratulations to **Mark Sady** and **Lisa Brems** who prevailed in a hard fought final against **Suzie Orr** and **Barbara Welshans**.

Seven teams of two competed in a single elimination tournament on the Black Lake bocce court on October 18th. Thanks to **Diana Wiggins** for contributing scoreboard and knowledge of the game; **Vicky Sady** for drinks and beautiful snacks; and **Deb Sherry**, the very unofficial tournament director. Join the Black Lake Bocce players every Thursday at 2pm if you'd like to give it a try.

The Theater Goers are looking forward to seeing *Beauty and the Beast* on November 10th at PCPA hosted by **Marcy Warkentin**. Thanks to **Martha Pignone**, **Gayle Turner**, and **Debi Dykzeul** for donating comp tickets to help lower the ticket price for group members. Contact **Gayle Turner** if you'd like to learn more about the group and get in on the fun.

Some of our dining groups have been enjoying good food and conversation around the county – Lunch Bunch 1 visited Shaw's Steakhouse in Santa Maria in October while Lunch Bunch 2 ventured north to Nate's on Marsh in SLO. TGIF 3 stayed closer to home sampling the fare at Butterfly Grille. TGIF 3 does have room for a few more adventurous diners. If interested, contact **Gayle Turner**.
