## A Message from the President...

Happy Days Nipomo Newcomers!

Since most of us have completed our vaccinations we're able to get together with neighbors and friends again. Most activities will be back to full participation, if they aren't already.

The **Back-to-Business Box Lunch Social** on **August 19<sup>th</sup>** is on my calendar and I hope it's on yours too! It's going to be lots of fun with music, raffle prizes a nice lunch and a great opportunity to catch up with friends and neighbors we haven't seen in a while.

Please feel free to invite your non-member friends to join us too! We'd love to meet them and maybe they'd like to join the club for all the activities and events available.

See you soon! ~ Sally Hill

## GROUP ACTIVITIES...

### GGs Garden Group: June 10<sup>th</sup> - Talley Farms

We enjoyed an enthusiastic and informative tour of Talley Organic Farms, led by our guide, Andrea. She showed us everything from planting the seeds in trays, germination, and planting the plugs in the ground - all mechanically done! We visited the fields, greenhouses, and the cooler rooms where we saw how the produce boxes were packed for shipment to the families who ordered them. We were treated to fresh artichokes, strawberries, cauliflower, etc. - for free!

The group topped off the excursion with a memorable and delicious lunch at Hapy restaurant. What a great day!

July will take us to the Lavender fields of the Santa Ynez valley and on a self-guided tour of the gardens of Mission Inés.
