FROM THE PRESIDENT...

I hope you have/had a Happy Halloween, Nipomo Neighbors and Friends! I'm enjoying the change in the season with cooler weather, upcoming holiday season, and yummy fall and winter foods. What are your favorite things this time of year?

2022 is coming fast, too! We will be able to have our annual Brunch in February again. Hooray! Our fantastic Events Coordinator, Vicky, has lots of fun ideas for 2022, starting with Bingo in January. You can look forward to many more opportunities to get together with NNSC members soon.

Ryan Hill, our current Treasurer, will be unavailable to continue to serve on the board. We need someone with very light bookkeeping skills (not much more than balancing your checkbook) to replace him for 2022. Please consider stepping up to help the club with this position. Any board member would be happy to discuss the job details with you.

I look forward to seeing everyone at upcoming events soon!

~ Sally Hill, President

Past President's Sad Loss

Roy Warkentin, husband of NNSC's past president Marcy Warkentin, passed away on October 23rd. Roy liked old cars, woodworking, and dancing... but he adored Marcy. Our hearts go out to Marcy and her family.

Edward St. Claire...

[An excerpt from "The Dunites,"
by Norm Hammond]

St. Claire is one of the earliest recorded inhabitants of the Oceano Dunes. He led a life of adventure, and was known by some as the "Saint of the Underworld." Well-known by many people from San Diego to San Francisco, he was a person who felt equally at home with the sacred and the profane...

...He lived in the dunes of Oceano for untold number of years...

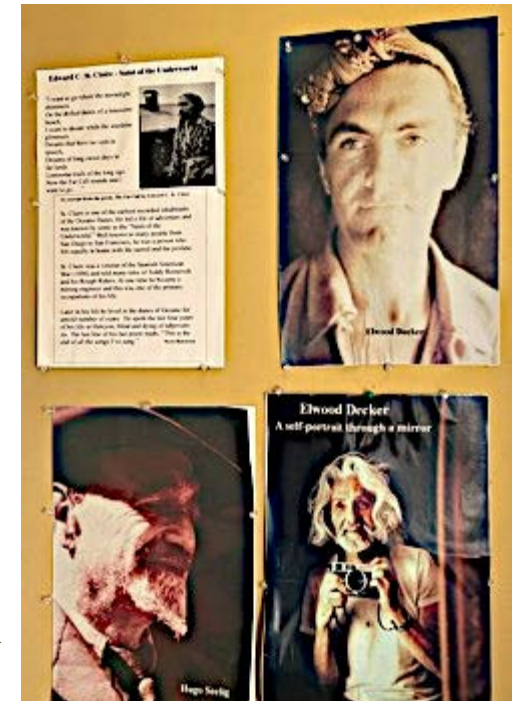

...The last line of his last poem reads, "This is the end of all the songs I've sung."

Norm Hammond

In October, the reading group enjoyed hearing from author Norm Hammond all about the "Dunites" of Oceano....

★ Estrella Warbirds Museum...

What a wonderful day at the Estrella Warbirds Museum on October 21, followed by a delicious lunch at McPhee's Canteen in Tin City. A good time was had by all!

Our tour was led by Mike, who provided the group with many stories and history about the artifacts in the Museum. We were treated with seeing the "Betsy Biscuit Bomber" take off and land. This WWII plane flew in 2019 from the Estrella Museum to Normandy France to celebrate in the 75th Normandy Anniversary. WOW! What a treat!

If you are a car buff, the Woodland Auto Museum on the premises is a must-see (*more photos on pages 2 & 3*).

COMING IN 2022...
