## FROM THE EDITOR

This will be my **final** Nipomo Newcomers & Social Club newsletter. It has been a privilege to work with the Board, activity coordinators, and others to produce the monthly newsletter for the past 3 ½ years. Other time commitments are knocking, however, so a choice had to be made.

Deb Sherry has generously offered to create the newsletter through the end of the year. She is excited to learn something new, but she most likely will simplify the process. I'm sure it will include all pertinent information and photos for each month.

I am happy to announce that Anne Kunzig will become the new editor in January 2025. She is very computer savvy and creates beautiful computer art. She is looking forward to making the newsletter her own. I can't wait to see what she does with it!

Thanks to Deb, Anne, and all NNSC members for your support and encouragement these past few years.

## THE PREZ SEZ...

Hello Summer!

We've all been busy with travels and family events this summer, but NNSC has had some fun things to do, too.

We had a fun Burgers and Brews event at Cafe Deville, the new spot in Nipomo. Friendly atmosphere for our gathering and great food! Give them a try!

The Blues Baseball game followed by fireworks on July 3 was a lot of fun, and the SLO Blues beat the Santa Barbara Foresters! You should have been there.

Bingo! Blacklake Community Room on August 10<sup>th</sup>. A large group has signed up to join the fun and maybe win some \$\$!

The NNSC board still has openings for some new board members. We have two new members volunteering for 2025. If you'd like to consider any openings, contact any of the current board members for more information.
